RE: NEWWAY FORMING LTD.

We are pleased to recommend Newway Forming Ltd. as a concrete and formwork subcontractor for your project.

Ledcor Construction Limited has worked on a variety of projects with Newway over the last 12 years, which are listed below:

- *The Palisades-Twin Towers* – 1200/1288 Alberni Street, Vancouver, BC
- *The Residences on Georgia-Twin Towers* – 1200/1288 West Georgia Street, Vancouver, BC
- *Block 350* – West Broadway, Vancouver, BC
- *The Marriott Residence Inn* – Seattle, WA
- *Calgary International Airport Parkade Expansion* – Calgary, AB
- *Robinson Tower* – 488 Helmcken Street, Vancouver, BC
- *Orca Place* – 1166 Melville Street, Vancouver, BC
- *The Metropolis* – 1238 Richards Street, Vancouver, BC
- *Space* – 1238 Seymour Street, Vancouver, BC
- *Bentall 5* – 555 Burrard Street, Vancouver, BC
- *The Pivotal Building* – 858 Beatty Street, Vancouver, BC

- and Newway is currently working on our largest project, *Living at Shangri-La* – 1100 West Georgia Street in Vancouver which is a 61 storey retail / hotel / residential complex.

Newway has always delivered a quality, on time and on or under budget project. Ezio Bortolussi and his employees are a pleasure to deal with and have been co-operative, flexible and determined to finish each project successfully.

We are happy to recommend Newway as a top-quality formwork subcontractor and we look forward to opportunities to continue our successful working relationship.

Yours truly,
