Mr. Ezio Bortolussi, President
Newway Forming
3750 East First Avenue
Burnaby, BC, V5C 3V9

Dear Ezio:

Thank you for your participation and completing our three residential highrise tower projects located in Vancouver and Coquitlam in the past five years. Your dedication and commitment in providing quality work, keeping up with schedule and completing the work within budget are well noted.

We are happy to have your company as formwork contractor for all of our projects, and treasure the working relationship fostered throughout the years. We have no reservation in recommending your company to your prospective clients for any concrete forming projects.

Please do not hesitate contacting me for any work reference.

Yours truly,
For and on behalf of
Henderson Development (Canada) Ltd.
